Mrs. Bell meets the Mayoress

Ninety-five-year-old Mrs. Mary Ann Bell, of Civic Parade, was one of 80 ladies who attend the mayoress' reception at Altona Civic Centre, recently.

Mrs. Bell is pictured chatting with the mayoress, Mrs. Pat Richards.

The mayoress sent an invitation to all ladies in Altona aged 90 or more. The invitations were sent out with the help of the Senior Citizens' Club.

Mrs. Bell came to Altona five years ago. She lives with her daughter, Mrs. Fred Johns, in Civic Parade.

More lighting in Kororoit Creek Road

Kororoit Creek Road, Altona, may become safer at night following a recent decision by the State Government.

The government has agreed to provide greater financial assistance to municipal councils towards the cost of lighting main roads.

Legislation has been presented to Parliament which provides that coun-

cils will be required to share only one third of road costs. In Altona the two main roads which will qualify for a lighting subsidy are Millers Road and Kororoit Creek Road.

friends at Altona Council last week with a suggestion that council use a by-law to force the hands of ratepayers who had not connected sewerage services within six months of it being available.

A suggestion is all it was because Cr. Weaver gained no second for a motion to this effect.

The mayor, Cr. Ray Richards, queried whether he should accept the motion.

"This always grabs me the way we're doing the dirty work for the board here," he said.

Cr. Pat Lynch moved the council refer the matter to a general purposes committee meeting.

"Before there is any action I want to acquaint myself more with the situation," he said.

Cr. Les-Crofts said: "I

think council should do all it can to encourage people to put on sewerage, but there are a number of ratepayers who probably have good septic tanks and cannot afford to connect the sewerage immediately."

He said he was interested in comments by Cr. Weaver that certain food premises in the municipality were still using the pan service.

"I understood there was to be no re-registration of food premises if they did not have sewerage on," he said.

Cr. Doug Grant asked if Cr. Weaver and the Town Clerk, Mr. Syd Fell could ascertain whether financial arrangements were available for the people in the municipality who could not find the money to connect the sewerage.

"There must be some reason why 836 people cannot hook on," he said.

A suggestion by Cr.

Weaver that council give assistance to ratepayers drew fire from Cr. Crofts.

"What did Cr. Weaver mean by Council assistance?" he asked.

"We're under the Local Government Act. Could we provide the money for this," he asked.

\$300,000 CENTRE FOR SCHOOL

ALTONA CITY LIBRARY
128 QUEEN STREET
ALTONA. 3018

A \$300,000 recreation and cultural centre will be built at Altona North High School.

Details of the proposed centre were given to Altona Council last week by Cr. Pat Lynch, holder of the council's education portfolio.

The centre would include a gymnasium, theatre and a modern canteen, Cr. Lynch said.

He said the school advisory council had raised \$22,000 towards the project and there was still a further \$100,000 to be "dug up" before the school could qualify for a Government subsidy.

The theatre and canteen will each have seating capacities from 300-400.

The theatre will be used by the school and city organisations for drama productions, shows and public meetings.

"We could find the amenities at our two high schools among the best in the western suburbs," he said.

"Apex too dear"

A request by Altona Apex Club for more money for distributing council's quarterly newsletter was not received favorably by Altona council.

At its recent general purposes committee meeting council directed town clerk Syd Fell to negotiate with other club organisations for distribution of the newsletter.

Council had been paying the Apex Club \$80 a year for delivering the news quarterly and the Apexians requested that this amount be doubled.

Dogs

Executive members of Altona Civic Obedience Dog Club were guests at last week's meeting of Altona Council. Among them was club secretary Mr. Frank Kays, who is one of the few persons in Australia to have a greyhound in a dog obedience club.

CHALLENGE FROM A CHESS CHAMP

The Australian Chess Champion from 1964-7, Mr. Doug Hamilton, has challenged Altona residents to matches.

Mr. Hamilton will compete with as many district chess enthusiasts simultaneously as wish to play.

The challenge matches will be staged at Altona High School next Wednesday, beginning at 7.30 p.m.

Mr. Hamilton accepted the challenge at the invitation of

the Altona Beach Chess Club. People attending will be charged 50 cents, which will be given to Altona High School in aid of their sports ground improvement fund.

The Altona Beach Chess Club meets every Wednesday, at 7.30 p.m. at the Homestead, opposite the Altona Public Library, in Queen Street, Altona.

Lions hungry for cakes

Altona Lions Club has been forced to order dozens more Christmas cakes because of the tremendous local demand.

The cakes are being sold by the club at \$1.90 each to aid the Lions International Save Sight Campaign.

The cakes can be obtained by ringing 398 1687 or 398 2534.

Sunday December 2 was the club's final paper drive for the year and the club would like to thank all those donors who have supplied paper each month.

The next paper drive will be held on the first, Sunday in February next year.

Val's Column

Hello Girls,

Have we seen you this week? We hope we have seen everyone in the area. After seeing our Amcal Christmas Gift pamphlets you couldn't help but call in.

You know we have a much larger range than even that pamphlet could show you. Mind you we have sold out of some of the super gifts.

We feel we can help your money stretch a long way. — And for every member of your family too!

As holiday time approaches now, seek out that first aid cabinet and see what needs replacing.

Don't neglect your family's skin this summer. Baby cannot help herself.

The kids have new bathers? Make sure you have sun screens handy to apply all over — particularly to new areas left bare by the new bather style that is sure to burn.

Are you a little embarrassed at the thought of your first few outings in your summer gear?

Don't be stark white — apply a fake tan to start with.

If the family has a pool, goes-ski-ing, fishes — remember the reflection from the water is blister-strong.

Just applying the lotion, cream, oil before leaving home isn't enough. Every few hours it needs renewing — and after swimming.

There are glimmering moisturisers to apply after sunning too.

We are sympathetic to the burnt skins — we have creams and sprays to relieve your pain. — But it needn't have happened.

—BYE.

Cr. Weaver reports o sewerage

Altona Board of Works Commissioner, Cr. Harry Weaver made the following report on sewerage reticulation in Altona, to last week's meeting of Altona Council.

True, as printed in a recent edition of the Altona Star, Altona beach is good and will be even better when all Altona is sewer-ed. I seek the support of both Council and the Altona citizens to achieve this aim.

With the assistance of Altona City Council's health inspectors I have prepared two maps of Altona which clearly show: Sewerage reticulation areas; Sewerage reticulation under construction; Near future sewerage areas; Properties within sewerage reticulation areas which are not connected to sewers.

These maps will be on exhibition at Altona and Altona North libraries for information of ratepayers.

I am perturbed at the large number of properties to which sewer is available, but not yet connected. Some Altona North properties have had sewerage available for up to nine years and are still not connected.

Sewerage is made available at great expense to the Board of Works.

The following figures show that Council and citizens must take immediate action towards having these properties connected:

Sewerage is available to 4747 properties in Altona City, and is connected to 3911 of these properties.

Sewerage is available to 3097 properties in the Altona North area, and 2703 have been connected.

In the older area of Altona sewerage is available to 1650 properties and 1208 have been connected.

Speaking as your Board of Works Commissioner, it is essential that in order to achieve sewerage for the entire Altona area, properties must connect to available sewers. This turn will improve the beach, as mentioned earlier.

Altona City Council has its Sewerage Connection By-Law No. 44, an extract from which reads as follows:

Sewerage Connection. Provisions

The owner of every

property in respect of which a general notice has been given by the Board under Section 160 (1) of the Melbourne and Metropolitan Board of Works Act, 1958, shall —

• Make provision to have the sewage carried off from such property by the sewer laid by the Board; — and

• Provide such proper water closet or water closets and such drains, appliances, apparatus and connection with such sewer as may be prescribed by regulations of the Board;

Within six months or such further time as the Council may allow from the date of any such general notice.

All such sewerage works and the provision of all such water closet or water closets, drains, appliances, apparatus and connections with a sewer shall be carried out, fitted and laid in accordance with regulations prescribed by the Board.

Any owner desirous of any extension of time beyond the said period of six months shall:

- Make applications in writing to the Council; and
- In his application give: His full name and address.

Particulars of his property.

• The reasons why he requires an extension; and

• Any other information the council may require.

Any owner to whom this by-law applies who fails to provide for the sewerage from his property to be carried off by a sewer and to provide such water closet or water closets, drains, appliances, apparatus or connexions as may be prescribed by the regulations of the Board and cause the same to be connected to a sewer within the said period of six months or such further time as may be allowed by the Council, shall be guilty of an offence against this by-law.

No person shall allow, permit or suffer, after the expiration of six months or such further time as the Council may allow any sullage water to be discharged from any property affected by any such notice except into a sewer.

This by-law shall apply to and have operation throughout the whole of the municipal district of the City of Altona, but it shall not apply to any property in respect to which a general notice has been served by the Board under section 160(2) of the Melbourne and Metropolitan Board of Works Act 1958.

Coffee at \$10 a jar

An Altona man has been convicted in Footscray court in a result which cost him \$10 a jar for coffee — plus additional costs.

Zeljko Miholic, 24, of Emu Avenue, Altona, pleaded guilty to stealing four jars of coffee from Thomas Nationwide Transport, on November 20.

Senior Constable Peter Lawrence Gill, of Footscray CIB, said he went to TNT, Footscray, at about 4.50 p.m., and stopped

Miholic, who was leaving in a car.

He searched the boot of the car and found the jars of coffee, valued at \$3.60.

Miholic told the court that he wasn't going to sell the coffee. He was only going to use it at home.

Mr. A. Foley, SM, fined him \$40 and ordered that he pay \$14 costs.

Altona's Civic Offices will be open for business during the Christmas/New Year period.

In previous years the offices closed for ten days. This year because of changes in the municipal officers' leave award, a "skeleton staff" will be retained in the

offices on Thursday, December 27 and Friday, December 28. The libraries and Altona's infant welfare service will also operate on those days.

Amethysts shine

Altona Amethysts marching girls' team took off six prizes at the Ballarat and district zone championships on November 25.

Altona Amethysts took out first prize in the mid-gal section for best team, best display, march past, aggregate, a second prize for championship and a third prize for best leader.

"Keep quiet"

Altona Council has written to Water Science Laboratories Pty. Ltd., asking the firm not to make any further adverse comments about Altona beach until the council has received the report it has been waiting for six months.

Water Science Laboratories Pty. Ltd., are employed by Altona Council as consultants on water pollution.

The resolution was successfully moved by Cr. Doug Grant.

CATHOLIC TEACHING PROJECT

Fifteen nuns from four teaching orders are about to start an experiment in Catholic education in the west.

Among the nuns are some of the most gifted educators in the orders of Presentation, Charity, Brigidine and Mercy.

One of the Sisters' frontier groups from the Sisters of Charity, will do a special mission on North Altona.

Working to a five-year plan they will foster and co-ordinate religious education in the area.

At the end of five years they expect to withdraw

from the area to do similar pioneering work elsewhere.

The director of the Victorian Catholic Education Office said this week the work was, "designed to place religious orders in their rightful place in the forefront of Catholic education endeavor".

The Sisters of Charity will take over a school at Altona North.

Cardinal Knox has given his blessing to the project by visiting the four religious congregations during the past week and celebrating the eucharist with them.

District Governor, Mr. Maurice Danaher, right, with the president of Altona Lions, Mr. Ron Tribe.

The governor of District 201F, Mr. Maurice Danaher, recently visited the Altona Lions Club.

Also present was cabinet secretary, Mr. Laurie Kelly.

Both were accompanied by their wives.

Governor Danaher, a Colac hotel keeper, is responsible for a district covering Melbourne's western suburbs and most of

Top Lion at Altona

Victoria, the Wimmera and Mallee district.

Mr. Danaher spoke of his trip to Miami Beach for the district governor's installation.

There were 35,000 Lions present in a huge

hall with seating accommodation for 50,000 under one roof.

At one function an Australian rendition of 'Tie Me Kangaroo Down, Sport' nearly brought the house down, he reported.

Altona Lions still have three-pound Christmas cakes for sale at \$1.90.

They can be ordered by telephoning 398 1687 or 398 2534.

Legal action

Altona council is taking legal action against a delicatessen proprietor in Boorack Square, Altona North, who has failed to comply with council instructions to clean up his premises.

Olympic thanks

Altona Council has received a letter of thanks from the Victorian Olympic Council for its recent donation which will help send the Australian team to the British Commonwealth Games in Christchurch, New Zealand in January.

Moving notation of the letter at council last week, Cr. Pat Lynch said: "It's nice to get a few lines of thanks for a donation by this council."

A cyclist from Altona North will be among the Australian contingent in New Zealand.

Vandals

Police are maintaining a watch on Altona's civic centre following a spate of vandalism in the vicinity.

In recent weeks the main hall has been broken into and an eight-year-old boy fell through the skylight of the hall, breaking a leg.

Numerous trees and signs close to the civic centre have also been damaged.

Less bashings in the west

Violence had decreased in the western suburbs, Mr A. W. Knight, MLC, Melbourne West, has been told.

He has received this advice from the Chief Police Commissioner.

It was based on the latest figures of the last quarter.

The decline in bashings had also been accom-

panied by a greater clear-up rate, the commissioner had informed Mr. Knight.

He also assured him that the western suburbs would continue to receive as much police protection as possible to curb violence.

BUS SHELTERS

OFF WORK

Altona councillor Doug Grant asked for more frequent reports from Altona's ranger, at last week's council meeting. He was told by town clerk Syd Fell that the ranger, Mr. Rob Heyen had been off work on workers' compensation and that a report would be made to the next council meeting.

Bus shelters in Altona in future will be the exposed aggregate panel type instead of the present smooth surfaced concrete style.

The exposed aggregate type cost \$20 more but are less vulnerable to vandals. Altona council has decided against installing any more of the smooth surfaced type.

MOTORING

BRIDGESTONE
A WINNER

The 1973 Manufacturers Championship Series of five races for modified production sedans was very much a battle of the tyres. On circuit after circuit, potential race winners were defeated by a rubber-shod Achilles heel — tyres.

But the Holden Dealer Team Toranas, with Peter Brock leading the way, were on Bridgestones and they won the series with a shattering 63 points to Ford's 51.

After the Phillip Island race, the last of the series,

Brock said: "We had no tyre worries. The handling was splendid and the reliability speaks for itself."

In fact, the first five cars home, all Toranas, were on Bridgestone, as was the series winner of Class C, Barry Cooke with his Mazda rotary.

With 50 per cent. of the starters at Bathurst on Bridgestone tyres and the Manufacturers' series well and truly won, there is now no doubt about the dominating make in Australian motor racing.

Holdens hold out

General Motors-Holden's out-performed and out-pointed Ford in the Manufacturers' championship final at Victoria's Phillip Island track on November 25 to take the race and 1973 title.

The Holden Dealer Team Toranas of Peter Brock and Colin Bond came home 1-2 for the second time in the five-race series. Eight of the first 10 cars were Toranas. Ford's challenge with the two-door Falcon GTs faded before half the 500 kilometres was run. They were again plagued by tyre and engine failures, and only one private entry finished. It was an even bigger disaster for Ford than the previous round at Surfers Paradise, where the big V8s had the same problems, but not on so devastating a scale.

But even the works cars of touring car champion Allan Moffat and Fred Gibson didn't have the speed of the 3.3-litre six-cylinder Toranas.

At the Island Brock had a straight-out slugging match for the lead with Moffat, who had pole position and raced off the line with the Torana right on his back bumper. Before the Ford driver had the tyre failures which finally made him crash and retire, Brock outranked him at the tight MG hairpin and then out-accelerated him and shut the gate going into the next corner.

Brock never lost the lead and was more than two laps of the 2.94 mile (4.73 km) track ahead of Moffat's Falcon when it went out.

This is how the series went, round by round: Adelaide — both HDT Toranas out, Falcons 1, 2, 3; Sandown — HDT cars 1, 2; Bathurst — Moffat's Falcon first, after Brock's Torana ran out of petrol while in the lead; Surfers — the Brock and John Harvey Toranas 1, 2; and Phillip Island — the Toranas filled the first four places.

BIG BLOW

The loss at Bathurst was a big blow to GM-H because as the longest race, over 1000 kilometres, it carried double points.

The Toranas went to the island only one point ahead of the Falcons (GM-H 50 points, Ford 49).

The points system is such that it was the winner takes all for whichever make got the chequered flag. It was a close-run affair until the Falcons failed.

Manufacturers' championship points score: GM-H 63; Alfa Romeo, 55; Mazda 53; Ford 51; Datsun 51; Leyland 45; Honda 29; Fiat 23; Chrysler 17.

The local member for Deer Park, and former Altona Councillor, Mr. J. J. Ginifer, has left Melbourne for a study tour of Europe and the United Kingdom.

Mr. Ginifer, Labor's spokesman on Lands, Soldier settlement, water supply, sewerage and drainage will have discussions with parliamentary and trade union leaders in Europe.

In London he will have discussions with the River Thames Authority on the measures being undertaken to reduce pollution in the river.

He will look closely at the needs of migrant workers while in Italy. He will also look at the desirability of family migration over that of just the male work force.

He will speak with the Maltese Education Minister on the possibility of an exchange programme of teachers between this State and that country.

Night bashing
by youth gang

A Williamstown man was bashed and thrown into rose bushes while on his way home last Friday night.

The man told Williamstown police three youths seated on a fence jumped him as he walked past.

Victim of the attack was Mr. Robert Richardson, storeman, of Verdon Street.

Mr. Richardson said the attack was at the corner of John Street and Douglas Parade, about 10.15 p.m.

He said as he approached the corner, the youths stepped from the fence where they were sitting and grabbed him.

The three punched him about the face and head, then picked him

up and threw him over a nearby fence into a bed of rose bushes, police were told.

Mr. Richardson suffered a broken nose and multiple lacerations and scratches.

He said he gave the youths no reason for the attack.

Because of the darkness and the suddenness of the attack, he was unable to give a description to police. As far as he knew, he did not know the youths.

Williamstown CIB and uniformed police as well as special patrols, are watching the area closely.

Radio, TV:

Two New Faces for '74

A prodigal son is returning to Melbourne to claim his place on TV. He is one of two personalities expected to shine on radio and TV in 1974. The other is journalist Claudia Wright.

This Thursday "The Age" TV/Radio Guide interviews Claudia, who is expected to spearhead talkback programmes, and there's a background story on the prodigal son — Ernie Sigley. A national success, second only to Graham Kennedy, Sigley likes to go to air unscripted and unrehearsed. The Age guide tells how Sigley has the knack of making capital out of bad publicity including his brushes with the law.

Free in "The Age", the TV/Radio guide features a special review of the top classical discs of the year. The guide also details viewing highlights, including new series, documentaries and the Yorralta tele auctions.

TV films reviewed by The Age guide include a collectors item for comedy lovers. Fascinating for its glimpse of Hollywood studios in action in the 1920's, it contains such rare sequences as a Buster Keaton silent, a Jimmy Durante skit on Tarzan and Laurel & Hardy challenging Lupe Velez to an egg-squashing contest.

AND THE WOMEN PLAY TOO

The Altona Bowling Club is not an all male affair.

Like most organisations it needs, and gets, support from the associates or women members.

The ladies play pennant bowls on Tuesdays and join the men in mixed events on Sundays, public holidays and some evenings throughout the summer months.

The Altona ladies have teams in Sections A1 and B2 in the pennant competition.

On Saturday afternoons when the men are playing pennant, the ladies provide afternoon tea.

The sandwiches made by the ladies are given high praise from visiting bowlers.

One notable comment from a visitor from the east was, "You can't beat the country people when it comes to catering."

MONEY STOLEN

Altona rubbish tip attendant Mr. A. J. Wells reported to council recently that an amount of \$31.97 was stolen from him during his lunch hour break on Saturday, November 3.

PWP MEET

Parents without Partners next meeting will be held at the immunisation centre, rear of Footscray town hall on Monday, December 10, at 8 p.m.

The group will stage a childrens' Christmas party in Gaudion Hall Barkly Street, West Footscray on Saturday, December 8. The party will be followed by a dance.

Life savers start

Williamstown Swimming and Life Saving Club has started training on Tuesday and Thursday at 7.30 p.m.

Beach patrols have started and the office will be open on Saturdays from 2.30 p.m. to 6 p.m. and between 10.30 a.m.-6 p.m. on Sundays and public holidays, as well as each week day between 9 a.m. and 4 p.m. until March 31, 1974.

The first inter-club carnival will be held on Sunday, December 9.

An indoor pool carnival will be held on Wednesday, December 12, at the City Baths, starting at 7.30 p.m. A bus will leave the clubhouse at 6.30 p.m.

On Saturday, December 15, Williamstown will sponsor a junior carnival starting with a barbeque lunch from 11.45 a.m. Junior members from local byside clubs will compete. First event is at 2 p.m.

Altona in command

Altona is poised to take the points against Brunswick Districts.

Altona lost the toss and was forced to bowl in blustery conditions.

Altona was quick to break through the openers, when Ken Clayton cap-

tured the first wicket when Wayne Patton accepted a catch behind wickets.

The second wicket was a little harder to obtain,

but with Jack Deller and Clayton both bowling well, the opposition was sent reeling to be 6/40.

With the thought of dismissing the remaining batsmen, cheaply and perhaps the possibility of an outright the A side was all out to obtain quick wickets.

However, with poor fielding Altona enabled the seventh and eighth wicket to put on an 80 run partnership and give Brunswick a chance to get back into the game. Fortunately for Altona the remaining batsmen were dismissed with the total score at 128.

Wicket takers were J. Deller and K. Clayton four each and D. Duggan 2.

Keeper Wayne Patton, following up five dismissals last match, figured in six this game.

With 55 minutes remaining to stumps, Bruce Forrester and Neil Courtot opened the innings and batted steadily to see the score to 0/25.

Forrester scored 15 and Courtot, 8. With all wickets and 104 to win the A's have a good chance to obtain the points.

The computer paid 10 times too much

A computer's mistake was responsible for a Spotswood man being paid 10 times his salary.

Instead of being paid \$2.01 per hour he was paid \$20.10 per hour.

But the mistake landed 34-year-old Barry Raymond Murdoch, of Hawkhurst Street, Spotswood, in court.

In Footscray Court, Mr. A. Foley, SM, after hearing the evidence, found Murdoch not guilty of embezzlement.

Murdoch had been charged with stealing two amounts, \$105 on September 20, and \$325.27 on September 27, from Gyprock, of Yarraville.

He pleaded not guilty.

Mr. John Nicks, assistant accountant at Gyprock, told the court that Murdoch had been employed for about eight days by the firm.

He was employed as a bagger at \$80.40 per week. He said that on September 20 Murdoch was paid \$121, net for eight hours work. He should have been paid \$16.

On September 27 he was paid \$294 net, and should have been paid only \$68.80 net.

Mr. Nicks said: "The following Friday (September 29) we noticed that the amount of hours for that section had been grossly overstated."

He said the mistake was traced to Murdoch's pay and that he went to see Murdoch.

Murdoch handed over \$126, but Mr. Nicks said that Murdoch could not count it. Mr. Nicks said that Murdoch had trouble counting the money. "I formed the opinion that he was below average intelligence."

In answer to a question by Mr. Raymond Lopex, for Murdoch, Nicks said that it appeared that Murdoch had not been aware of the mistake.

Detective Senior Constable J. W. Widdicombe, of Footscray CIB, said that in an interview Murdoch said: "I thought something

was wrong but I couldn't work it out."

He was alleged to have continued: "I thought the company would have told me."

He was also alleged to have said he didn't check with Gyprock because he had a nervous condition and he "felt a little bit embarrassed".

"I'm sorry and I will pay back the rest of the money", it was claimed he said.

Murdoch told the court that he didn't read the record of interview that the police had taken. He couldn't read.

He said he went to second grade, but after four years in that grade, found he couldn't go any further.

Murdoch said a friend of his told him that there was "big money there" (at Gyprock).

The court was told that Murdoch and Gyprock had settled the financial difficulty.

Mr. Foley said: "The case is to be dismissed."

Williamstown takes honors

Williamstown Athletics Club's B. grade team won a nip and tuck battle against Footscray last Sunday.

After trailing all day, Williamstown took the honors by winning the final event.

Geoff Warren (16 min. 03.9 secs) and Eero Keranen (16 min. 38.8 secs) ran first and second in the 5000 m. to give Williamstown a three point victory over Footscray.

Brian Davison performed well in winning both the 110 m. hurdles and the long jump while V. Balodis took out the hammer (113 ft.) and the shot put (12.85 m.).

Although coming a

narrow second the 4 x 200 m. relay team of Paul Jamieson, Ian Jackson, David Jamieson and Robert O'Sullivan broke the club record. The time was 1 min. 31.25 secs.

The D Grade team continued on its winning way by defeating old Xaverians 62 to 29. Ken McLeod won the 1500 m. walk with a time of 7 min. 48 secs.

Peter Whimney won both the shot put (9.19

m.) and the Javelin (35.90 m.). The 200 m. was taken out by Paul Jamieson in 23.1 secs.

The 800 m. saw a close finish between Williamstown runners, Greg McVicar (2 min. 4.78) just defeating team mate Ian Jackson (2 min. 58). In the 5000 m. John Handley won in 16 mins. 30.45 secs. with Rob Brown taking second in 17 min. 34.9 secs.

The strong U-14 team had a win over Old Xaverians 53 to 42.

Winning performances were recorded by Chris Lowden in the high jump (4 ft. 8 ins.) the 200 m. (26.1 sec.) and the shot put (9.94 m.).

S. Hardeman won the 800 m. walk (3 min. 56.3 sec.), P. Sinnott won the long jump (13 ft. 7 1/2 ins.) and S. Bazja ran a very strong race to win the 800 m. in 2 min. 23.9 sec.

Lost points off court

Four Western Suburbs Badminton Association A grade teams have had points deducted from their premiership points total.

The deductions were made because of inaccurate and incomplete results being submitted.

An association spokesman said this should be a reminder to all team captains to make sure that results are complete before they are submitted.

Results of last week's matches were:

A Grade: St. John's d. Williamstown Methodists 11-0, WHS Destroyers d. Werribee South 10-1, Sunshine d. St. Andrews Williamstown 6-5, and East Keilor d. St. Andrews Footscray 7-4.

B1 grade: Sunshine d. Refinery 7-4, Newport Presbyterian d. Melbourne University 11-0, St. Andrews Williamstown d. East Keilor 11-0, St.

Andrews Footscray d. Laverton High School 6-5, B2

B2 grade Tullamarine d. Williamstown Methodist 8-3, Newport Presbyterian d. WHS Derwent 10-1.

C1 grade: Deer Park d. WHS Arrows 7-4, Rebels d. Williamstown Methodists 8-3, Yarraville Methodists d. Centenary 8-3.

C2 grade: East Keilor Red. D. WHS Flinders 11-0, Tullamarine d. WHS Voyagers 8-3, RAAF d. East Keilor Blue. 9-2.

D Grade: Sunshine d. St. Andrews Footscray 8-3, Newport Presbyterian d. Altona North High School 11-0, RAAF Mirage d. Laverton High School 9-2, RAAF Phantoms d. East Keilor 11-0.

FIRST LOSS FOR SEASON?

Altona North Cricket Club may lose their first match for the season next Saturday.

Chasing Richmond Union's well compiled 193 Altona North lost their skipper on the first ball.

They were 1/35 at stumps.

Altona North's end-of-the-day battle with Richmond Union's bowling was only saved by a 20 not out stand by Reg Simpson.

Earlier in the day, David Price 5/33 and John Coffey 2/18 helped dismiss the Union.

The B grade team slumped dramatically in their first innings to be 5/23 at stumps in reply to North Carlton's 156.

For Altona North, Nick

Doria took 6/47 and Peter Welsh took 2/53. Carlton North had 88 runs on the board before they lost the first wicket.

The thirds compiled 178 at stumps against Southport in which Harold Mason starred with 81. John Thompson hit 33 runs and Daryl Outen hit 20. Southport were 2/47 at stumps. The Rev. McLaren took 2/14.

In reply to CYMS 58, in which Harry Hart took 6/24 and Nick Boicos 3/13, the Juniors were 1/55 at stumps. Ron Casar is 25 not out and Peter Swainger was out for 19.

TWO WICKETS IN SUCCESSIVE BALLS

Geoff Horsburgh put on a brilliant display of bowling in the Williamstown-Waverley match at Waverley last Saturday before severe back pain forced him out of the game.

He claimed two wickets in successive balls, but struck trouble after his seventh ball.

Peter Bowyer finished his over.

Williamstown was playing the first day of the two-day fixture against the 1972-1973 pennant winners.

Williamstown went into the game with one change, secretary-second eleven captain taking the place of Kevin Tweedly in their line-up.

Waverley opened with Sticks and McKinnon and suffered their first loss when Sticks was caught behind by Tom Ferris off the bowling of Geoff Horsburgh when he was 14.

Skipper Geoff Anyon joined McKinnon and they

added 25 runs before Robin Dyson caught McKinnon after he skied a ball from Barry McConnell.

They were then 2 for 59. T. Hanlon joined his leader and they batted briskly adding 60 runs before Bowyer snapped one from Hanlon off the bowling of his skipper Les Joslin.

This wicket resulted in a tactical field placement of Bowyer.

Good captaincy.

Vitis came to the crease, but he didn't last long being caught by the safe hands of Bowyer for one run thus giving Horsburgh his second scalp.

At tea the score was 4 for 138.

Resuming and it wasn't long before Horsburgh clean-bowled Anyon, he

Waverley side and before stumps had them all out for 150 runs.

Good fielding all round by the Willy boys with a mention to George Shaw.

Alan McLellan with four great catches behind the stumps and good bowling by young left arm medium bowler Jim Hallet were the main factors in this day's cricket.

Williamstown batted and were nine without loss at stumps with Phil McTaggart and Ron Shaw the night-watchmen.

Scores Waverley all out 150.

Bowling Jim Hallet 21 overs 6 mdns., 4 for 49; Laurie Hewet 0/21; Graeme Dean 2/33; Trevor Smith 2/21; Kev Tweedly 2/17.

THIRDS GAME IN BALANCE

In their first day against Port Melbourne Fourths at the Fearon Oval.

Williamstown had the visitors out for 120, but at stumps the thirds were 2/20.

Andrew Davies 9 and Bob Penrose 10 being the overnight bats.

Bowling for Williamstown Neil Speakman 5/25. Bob Penrose 2/21. Gary Richardson 1/19. Nev. Speakman 1/10 and Lou Dowling in a re-appearance after a holiday 1/33. The game resumed on Saturday.

DOUBLE WICKET PARTNERSHIP

Sunday will see a feast of cricket at the Willy Cricket ground.

All Williamstown stars will be there in a knock-out double wicket day of cricket.

John Sharp Footscray all rounder will also be playing. All the promising junior players abundant in Williamstown will also be seen in action.

made 30 and the Gulls were pleased to see him return to the elaborate Waverley pavilion.

Stanton came in and had the "death rattle" sound behind him first ball as "Hors" shattered all stumps.

Hynes was sensationally run out for 5 and Waverley were 7 for 152.

Ex-Footscray player Watson was the last bat dismissed being caught by Ferris behind off the bowling of Joslin.

Marks and ex Williamstown player Tom Seal batted along very smartly and at stumps both were not out Marks 18 and Seal 23.

The final score was 8 for 198 although the "flash" score-board showed 199.

SCOREBOARD

Waverley Sticks c Ferris, b Horsburgh 14 McKinnon C. Dyson, B. McConnell 31. Anyon bowled Horsburgh 30; T. Hanlon, c Bowyer b Horsburgh, 1; Watson c. Ferris, b Joslin 21; Hynes, run out 5; Stanton bowled Horsburgh, 0; Marks, not out 18; Seal, not out 23. Sundries 11; 8 for 198 (CC).

At the local oval the seconds held the visiting

Three of the ladies who play their part at Altona Bowling Club. Left to right: secretary Mrs. Grace Higginbotham, president, Mrs. Beryl Tribe and committee member, Mrs. Phil Stephens.

Altona wins by 6 shots

Battling with blustery conditions, the Altona Working Men's Club Ladies Bowling Club D2 team downed East Ivanhoe (4) by six shots, last Saturday.

Melva Cater, Vera Ferguson, Glad Montgomery and Bessie Cameron (S) scored the best win 23-17.

It was the final match in the first round and D2 remain undefeated.

C2 downed Clifton Park (3) by 10 shots. Marj Spence, Clare Markey, Betty Briscoe and Judy Banks (s) won 33-14.

The charity day for the VLBA - multiple sclerosis society appeal was well supported.

A bring and buy stall and the other fund raising activities raised \$38.65.

Spoons for the day were won by Lucy Bardsley, Pat Quigley, Vera Ferguson and Judy Banks (s).

Fear for footy future

St. Paul's Football Club assistant secretary, Noel Kenweary, is seeking support for his club.

Mr. Kenweary fears St. Paul's will be forced to withdraw from FDL competition next season.

He writes: "I would be most obliged if you could publish a request for help for St. Paul's Football Club in your paper."

"This request is particularly directed to parents and pupils already attending St. Paul's and to parents of boys due to start

in 1974. Anyone else interested in supporting junior football also is invited to assist."

"The situation is this: Several of our senior committee and some coaches will not be available next season."

"We must know and notify the FDL by early 1974 our office bearers and the number of teams
